H I G A N G !

IT'S GOOD TO BE COMING DOWN THE TRAIL bringing you exciting memories of times together at Camp Miniwanca last summer. By this time, I know every one of you must be busily at work in school, and already looking forward to Thanksgiving which is only a few short days away. Let me give a personal challenge to each one of you to make your efforts really count at school this year. Don't ever let it be said that you have shorted the mental side of your growth. Give it all you've got!

THE DAYS AT CAMP WERE FULL AND CHALLENGING ONES, this year as always. From the very first clang of the bell that signals its time to rise and shine and get out for those Set-Ups, right on through the day until the final note of Taps floated away from Speedy Evan's trumpet and off across the dunes each fellow was growing inwardly and outwardly in the fourfold way. Swimming instruction this year was tops under the guidance of Johnny Mothershead and his first-rate waterfront staff. Once more we were able to say, as we have for many years, not a single boy left camp not knowing how to swim! Almost every fellow in camp made some advancement in his swimming level. Boating period every day were great sport, and the thrills of rowing, canoeing, or sailing on the blue waters of Stony Lake, are well remembered by us all.

IT WAS A GREAT GANG OF CAMPERS AND LEADERS with whom we shared all these and many other wonderful experiences. You were there with fellows from 28 states and one foreign country, for we had campers and leaders from Alabama, California, Colorado, Connecticut, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Michigan, Minnesota, Mississippi, Missouri, North Carolina, New Hampshire, New York, Ohio, Oklahoma, Pennsylvania, South Carolina, Texas, Virginia, West Virginia, Wisconsin, and Burma. Our crew of leaders was particularly outstanding this past year. I know I speak the appreciation of everyone of you when I say a great big "Thank you" to every man Friday who served on the leadership staff. There is really no way of expressing how much it meant to each of you to have interested leaders teaching you skills and camp activities, and sharing with you the value of their experience and Christian understanding. We'll look forward to having a number of last year's leaders back with us, together with the large number of returning campers.

THE IMPROVEMENTS IN THE FOUR-WAY LODGE were great, weren't they? This wonderful building, originally designed by Ernest Thompson Seton, was too small to take care of the entire camp for the past several years. It was really great this past summer to be able to use the Four-Way Lodge for indoor council circles, Miniwanca theater, and other all-camp activities. The enlargement project was just what was needed, and the Four-Way Lodge will be one of the most useful buildings in camp for many years to come.

AND SAY, DIDN'T THE Y. B. CAMP LIBRARY COME ALIVE! Don Stoner and Johnny Spurgeon really kept those books before us in interesting fashion, and those new books (nearly 100 of them) carefully selected from a great variety of fields of interest and written for boys and young men, made the library one of the most interesting spots in camp. A very generous contribution from the parents of Steven Hull, Y. B. camper of a couple of years ago, made these additions to the library possible. Still other books were added from the libraries of campers and leaders. You could have a part in making the Y.B. Library a still more valuable part of camp by sending books from among those which you own and which you now would be willing to share with others.

ONE OF THE REALLY GREAT IMPROVEMENTS this past summer was the Shower House, don't you all agree? It was a joy and a pleasure to get over there and take a good warm shower in our excellently equipped new Shower House. That fine new piece of equipment doesn't mean we're going soft, though! It simply means we can make the Miniwanca two and a half minute shower more effective than ever! Remember the Miniwanca shower? Water on, get wet, water off, soap and scrub, water on, rinse, water off, and out and dry.

MANY STRAY MEMORIES go through my mind as I think about camp: "Ellie's Score Board" and the cheers for your favorite Big League Team; Miniwanca Square Garden and the "Ju-ju-ju-judo" boys in their best routine; the Pre-Seniors' overnight boat trip and the "Battle of Mosquito Ridge"; the hikes to Marshville Dam and Little Point Sable; the wonderful times on the beach in beach suppers, overnights, and Sunday afternoon fun; the night we saw the Northern Lights with a complete dome of light, displaying shifting curtains and shooting rays; the fun in Friendly Council, the hilarious hijinks in Low Council, and the cleverly original acts in Grand Council; inspiring Vesper services; quiet moments of devotion; instructive Christian Ideals' classes and worshipful services on Chapel Dune; the All-Star Game; the Leaders' Frolic; the Leaders' quartet with some of the finest singing that Miniwanca has ever known; the exciting moments when the Dunes Dispatch announced the Tribal Standings; and the wonderful evening together when the results of tribal competition were made known, and every camper received his recognitions for achievements made during camp. Altogether, it was really a great experience, and campers and leaders alike were inspired to grow mentally, socially, physically, religiously, and to follow more faithfully the Jesus way of life. The faces of campers and leaders, friends and companions pass by in memory, and I am left with the wish that most of you will be there to share once again in the wonderful way of life that is Miniwanca.

NEXT YEAR we're going to give our kitchen crew a break and enlarge the kitchen in Younger Boys Camp, so that they will be better able to serve us those excellent meals for which they have become famous. Also for next year a PROJECT - we'll keep it secret for awhile, and let you guess as to what it might be. All I can say is it's a very important project to the Younger Boys Camp, and one in which you will want to have a very real part, for through it you can help to leave a lasting mark at Miniwanca.

ALSO NEXT YEAR (and here I really am letting you in on a secret) there will be a whole new unexplored area in camp, and we will be using it for the first time. Yes, that's right, more than a quarter mile of beach front has been added to our Mini-

wanca camp property, and all of the dunes and woods that lie behind it will be open to us now for exploration, hiking and camping. It will be great to be one of those who pioneers in this new camp area.

LAST YEAR Mike Meyer asked a lot of you fellows what you thought was your best experience at camp. Maybe now at this late date you'd like to see the answers which some of the fellows gave. We print them here to help remind you of your own camp experience:

"QUESTION: WHAT WAS YOUR BEST EXPERIENCE AT CAMP THIS YEAR?

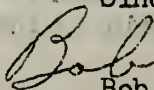

Speed Evans - speaking on Pre-Senior Sunday
Don Sedenka - being a Fire Chief
John Murphy - the candlelight vesper service
Craig Phegley - the Shelby trip
Bill Newton - the Marshville camp-out and fighting in Miniwanca Square Garden
Jeff Kunst - the trips to the beach out on Michigan
Jim Rosborough - the Northern Lights which we saw
Andy Morikawa - the outstanding leaders this year
Bill Bordner - the camp-outs, excluding none
John Rodgers - boating
Tom Clements - swimming and the fellowship each day
Tom Arendshorst - the Councils: Friendly, Low, and Grand
Phillip Graham - interest groups and our softball games
Randy Givens - the people here
John Devereaux - the emphasis on the Four-Fold way of living

These are but a few answers from the many boys in camp, but I'm sure that the others enjoyed similar experiences as much as the above have enjoyed these."

PROBABLY MANY OF YOU HAVE BEEN WONDERING what has happened to your Prescription - the one made for you by the leader with whom you had your Miniwanca chat this last summer. I'm sorry to say, we have had an unavoidable delay in getting these Prescriptions out to you, but we're going to have them in the works one of these days before too long. I know you'll be looking forward to the letter addressed to you by your leader-counselor. And listen, camper, give that Prescription your close attention. Take hold of what is suggested to you, and go to work on it, helping to shape your life up into a still more effective balance.

I know that all the members of the staff, including Joe Whitwam, Kodaya, Ed Clark, Charlie Pauck, Elinor Edwards, Ruth Steiner, Aileen Givens, Magdalene Robbert, and all the leaders join me in saying, "Power to you through this year, and here's to a great 1958 season at Miniwanca!"

Sincerely yours,

Bob Steiger, Director
